

# Gonzo Pickleball League Rules

We follow all USA pickleball rules located here: <https://usapickleball.org/what-is-pickleball/official-rules/rules-summary/>

## General Rules

**Below are our local rules as they apply to this league.**

Each game is played to 11 win by 2

The third game is also played to 11 win by 2 or will end at the 55 minute mark of each hour. Whatever team is ahead at the 55 min mark will be the winner of that game.

To win the set of games a team must win 2 of the 3 matches. If a team wins the first two matches and there is still time left feel free to play the third game. All games will be counted toward a teams record that will determine seeding by the end of the season.

The last week teams will be seeded based on their records during the first 7 weeks. The 8<sup>th</sup> week will crown the champion.

Teams are required to report scores to the onsite supervisor. Scores will be posted typically within 24 hours.

The home team will serve first. Please see schedule online to determine who the home team is.

Teams will switch sides after each game.

## Forfeits and Subs

We encourage teams to have a sub just in case one of their players cant make it. We highly discourage teams from forfeiting, but we understand things come up. Please let your league manager know right away if you need to forfeit.

We encourage teams to play fair and exhibit good sportsmanship. If there is a discrepancy please try and work it out yourselves, however you can always ask our league supervisor for rule clarifications.
