## **CONSTRUCTION – MEDIA EVENT – SPECIAL ACTIVITY**

### **CONDITIONS & REGULATIONS:**

Signs and Hoods should be removed after 7PM and re-established the next morning, especially over weekends, to avoid theft. Signs cannot be attached to trees, bike racks, or pay stations.

Use of Dash Permits, Signs, or Hoods beyond the expiration date, as issued, constitutes a parking violation and may result in a fine/ticket, additional daily fees, confiscation of these products, and destruction of your Hood padlock.

Under 4-18-8 B.R.C. Construction, Media Event, and Special Activity Dash Permits are provided through the City of Boulder Community Vitality / Parking & Access office.

- Dash Permits, Signs, and Hoods should be used near the assigned the location.
- Dash Permits, Signs, and Hoods cannot be used at ½ hour or accessible parking meters.

Parking & Access reserves the right to revoke Construction, Media Event, or Special Activity Dash Permit(s). 4-48-8(d) B.R.C.

Parking & Access may place additional conditions and restrictions on eligibility for products, as well as best preserve the balance between keeping metered parking on public streets available to the general public, and serve the needs of persons who have no practical alternative in carrying out activities without the capacity to reserve a particular parking space or spaces, and which are reasonable and in the public interest. Such additional restrictions shall be applied evenly to all persons similarly issued.
