Other KSI Crashes Summarized

- A severe-injury crash occurred at the RRFB pedestrian signal north of Pearl Street/Parkway when a northbound vehicle failed to yield right-of-way and struck a pedestrian crossing eastbound on the crosswalk.
- A severe-injury crash occurred a southbound traveling vehicle struck a pedestrian crossing mid-block south of Canyon Boulevard. The pedestrian was injured.
- A severe-injury crash occurred at the intersection of 30th Street and Glenwood Street when a vehicle traveling northbound straight through the intersection struck a pedestrian crossing eastbound on the south leg of the intersection. The pedestrian was crossing against the signal.
- A severe-injury crash occurred at the driveway access south of Marine Street when a southbound left-turning vehicle failed to yield right-of-way and struck a bicyclist traveling northbound in the bicycle lane.
- A severe-injury crash occurred when a vehicle westbound traveling vehicle failed to stop at the stop sign at a driveway access north of Canyon Boulevard and struck a southbound traveling bicyclist on the multi-use path on the east side of the roadway.
- A severe-injury crash occurred at 30th Street and Arapahoe Avenue when a vehicle traveling southbound left crossed the median and struck a vehicle head-on that was stopped in the westbound left turning lane on Arapahoe Avenue.

Other KSI Crashes Summarized

- A severe-injury crash occurred north of 30th Street & Mapleton Avenue when a northbound vehicle failed to stop and struck a vehicle that was stopped in traffic behind a vehicle that was stopped and waiting to make a left-turn into 2445 30th Street.
- A severe-injury crash occurred at 30th Street & Colorado Avenue when a southbound left-turning vehicle failed to yield right-of-way and was struck by a northbound vehicle traveling straight through the intersection.
- A severe-injury crash occurred at 30th Street & Arapahoe Avenue when a westbound left-turning vehicle failed to yield right-of-way and was struck by a vehicle traveling eastbound through the intersection.
- A severe-injury crash occurred at 30th Street & Walnut Street when a southbound straight traveling vehicle struck a bicyclist crossing against the signal eastbound on the north leg crosswalk.
- A severe-injury crash occurred at 30th Street & Arapahoe when a westbound traveling vehicle when a motorcyclist traveling eastbound straight through the intersection slammed on his breaks to avoid collision and overturned the motorcycle. There was no collision between the two vehicles, but the motorcyclist was severely injured from overturning his motorcycle to avoid collision.

Other KSI Crashes Summarized

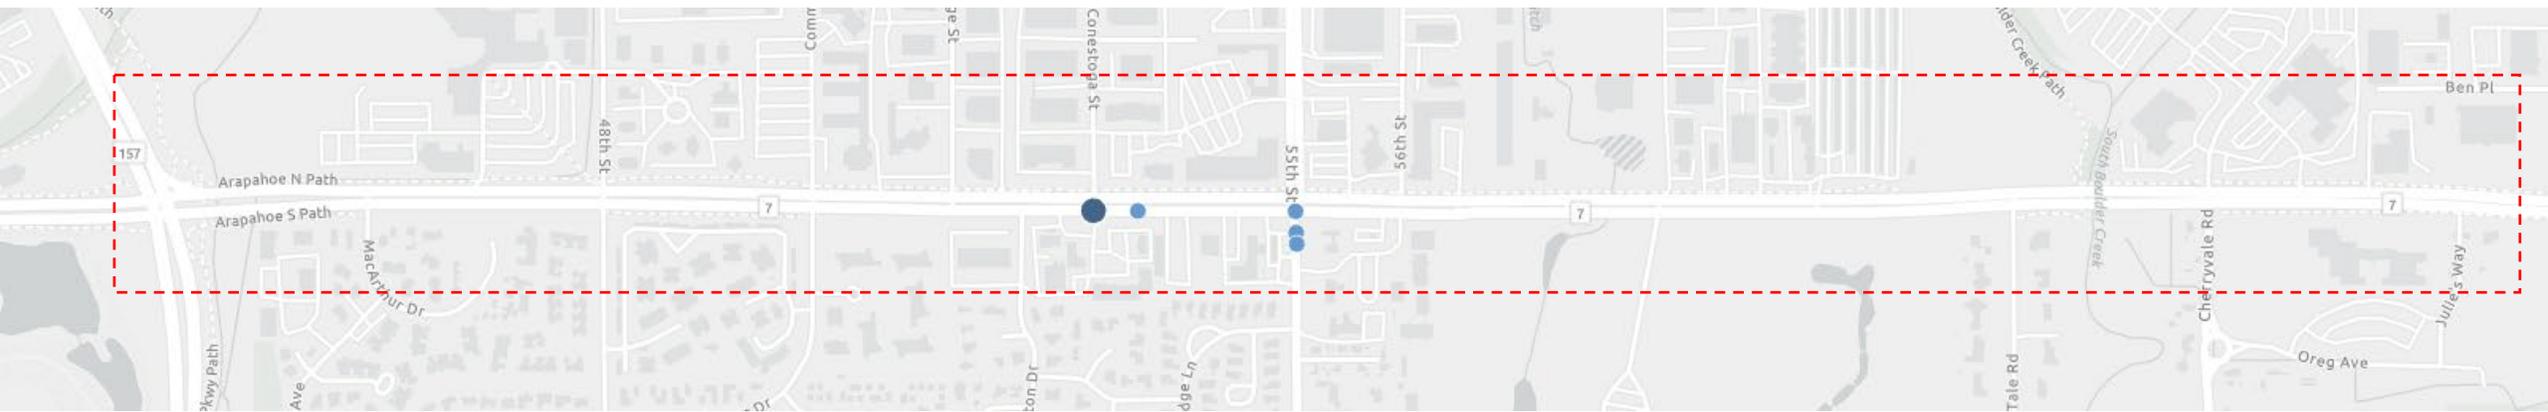

- A severe-injury crash occurred at the intersection of 30th Street & Arapahoe Avenue when a driver traveling eastbound on a motorized scooter lost control, collided with the curb, and was ejected from the motorized scooter.
- A severe-injury crash occurred on the 2900 block of 30th Street when a northbound left-turning vehicle turning into the gas station on the southwest corner of 30th Street & Valmont Road failed to yield right-of-way and was struck by a southbound straight traveling vehicle.
- A severe-injury crash occurred at the intersection of 30th Street & Valmont Road when an eastbound driver disregarded the red traffic signal and was struck by a vehicle traveling northbound through the intersection.

Other KSI Crashes

- A severe-injury crash occurred at Arapahoe Avenue & 55th Street when a eastbound vehicle traveling straight through the intersection lost control of the vehicle and drove onto the southeast corner of the intersection. The driver struck a pedestrian walking on the sidewalk and a parked car in the Conoco gas station.
- A severe-injury crash occurred at Arapahoe Avenue & Conestoga Street when a driver making a westbound left-turn failed to yield right-of-way and struck a vehicle traveling eastbound straight through the intersection. The eastbound vehicle had just turned onto Arapahoe Avenue from Patton Drive and was accelerating.
- A severe-injury crash occurred at Arapahoe Avenue & Conestoga Street when westbound left-turning vehicle struck a motorcyclist traveling at an excessive speed eastbound straight through the intersection. The motorcyclist was also driving without a driver's license. The motorcyclist was cited.
- A severe-injury crash occurred at Arapahoe Avenue & 62nd Street when an eastbound vehicle rear-ended an eastbound motorized bicycle.
- A severe-injury crash occurred at Arapahoe Avenue & 63rd Street when an eastbound straight traveling vehicle was in the right-turn lane and tried to switch lanes to the through lane. When trying to change lanes, the driver did not realize the light had turned red and struck a vehicle traveling northbound straight through the intersection.

Other KSI Crashes

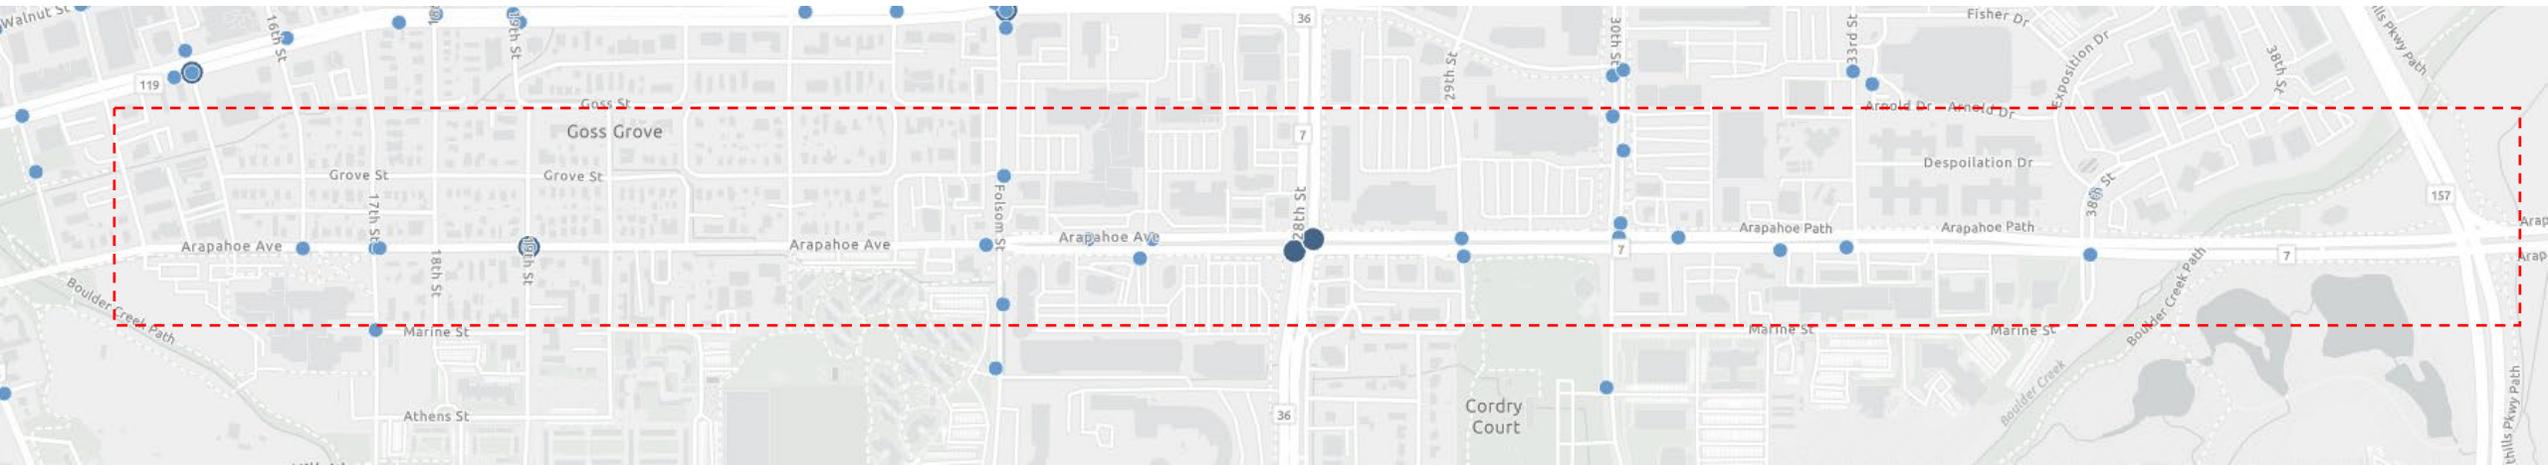

- A severe-injury crash occurred at Arapahoe Avenue & Flatirons Golf Course when a westbound left-turning vehicle failed to yield right-of-way to an eastbound vehicle traveling straight through the intersection.
- A severe-injury crash occurred at Arapahoe Avenue & Foothills Parkway when a northbound left-turning motorcyclist failed to stop at red signal and rear-ended a vehicle stopped in the left-turn lane.
- A severe-injury crash occurred at Arapahoe Avenue & Foothills Parkway when a northbound vehicle traveling straight through the intersection (on a green light) struck a bicyclist traveling eastbound on the south leg crosswalk crossing against the signal.
- A severe-injury crash occurred at Arapahoe Avenue & Foothills Parkway when an eastbound vehicle traveling straight through the intersection failed to stop at the signal and struck a vehicle traveling northbound straight through the intersection and then a vehicle stopped at a red light in the westbound left-turn lane. The driver of the eastbound vehicle was cited with a DUI.
- A severe-injury crash occurred at Arapahoe Avenue & Foothills Parkway when a southbound driver traveling straight through the intersection struck an eastbound driver traveling straight through the intersection. Both drivers stated that they had green lights and there were not witnesses.

Fatal Crashes

12/27/2020 – A fatal crash occurred at Broadway and College Avenue when a southbound driver on Broadway ran off the right side of the road and hit a sign. The driver was speeding and lost control. The car's tires rubbed along the curb until reaching a curb cut in an alleyway, at which point the front bumper of the vehicle collided with a street speed limit sign, detaching the sign from its base mount.
