Revocable Application Requirements Checklist:

A REVOCABLE PERMIT OR LEASE APPLICATION WILL NOT BE ACCEPTED WITHOUT THE FOLLOWING INFORMATION:

- Application Fees – Please refer to the Schedule of Fees on our web site for exact fees**
 - A change or transfer of ownership or tenant requires a new application fee.
 - Leases are assessed an **annual** fee based on the square footage of the approved encroachment. A bill is sent after the revocable is approved and annually thereafter.
 - Permits are charged a renewal fee every **three** years. A renewal notice is mailed to the applicant 30 days in advance of the due date.
-

FROM THE BUILDING OWNER

- Proof of Ownership** from a title company (Commitment for Title Insurance), current to within **30** days, including a legal description. Titles older than 30 days are *not* acceptable and the application will not be accepted.
OR
- An Attorney’s Memorandum**, stating the fee ownership in the property as well as a legal description.

If the owner is an entity, then proof of authorization to bind on behalf of the entity is required. Please note that different forms of documentation are required depending on the type of entity (i.e. a Limited Liability Company vs. a Corporation). The name and title of person(s) authorized to sign (Manager, General Partner, etc) must be provided, and they must provide a notarized signature.

If the entity is a **Limited Liability Company (LLC)** or a **Limited Liability Partnership (LLP)**, the following are **examples** of documentation that may be accepted, subject to the review of the city:

- Articles of Organization
- Operating Agreement
- Partnership Agreement

- Articles of Incorporation/ Bylaws
- Corporate Minutes confirming current officers
- Statement of Authority or Delegation
- Attorney’s Memorandum (must be dated and signed and include company name and title of the authorized person)

Please note that a copy of the “Articles of Organization” or “Articles of Incorporation” printed from the Secretary of State website listing the name of the “Registered Agent” alone is not sufficient proof of authorization to bind. The documentation provided must clearly show who has the authority to bind on behalf of the entity.
