

# E-BIKE INCENTIVES

## Apply for e-bike vouchers!

Say hello to a fun, eco-friendly commute!

The City of Boulder is offering vouchers to help city residents pay for e-bikes from participating bike shops.

- There are **two application rounds**, one in July and one in September.
- Each round, about **200 applicants** will be **randomly selected**.

## What are e-bikes and e-cargo bikes?

**E-bikes:** Bicycles with rechargeable batteries and an electric motor that gives riders a boost as they pedal.

**E-cargo bikes:** E-bikes that are designed to carry cargo or multiple people. They are usually larger and have a longer frame than a regular bicycle.

## How much can I save?

E-Bike Type	Standard Voucher	Income-Qualified Voucher
 E-Bike	\$300	\$1200
 E-Cargo Bike; Adaptive E-bike	\$500	\$1400

## How do I apply?

Sign up online during the registration periods. Dates are available via email notifications or the city' website.
