

City of Boulder, Colorado Photo Enforcement Program PO Box 22091 Tempe, AZ 85285-2091

WARNING NOTICE

The City of Boulder, city residents, and the Boulder Police are working to reduce speeding on residential streets through the Neighborhood Speed Management Program (NSMP). We are committed to improving the safety and comfort of streets for everyone that uses them.

You are receiving this Warning Notice because your vehicle was observed speeding 5-9 mph over the speed limit.

Please be aware that the residents of the neighborhood in which you were observed are concerned about speeding and are participating in the NSMP.

Speeding increases the severity of crashes and prevents residents from safely and comfortably using their neighborhood streets.

This is only a warning
There is no penalty associated with this Warning Notice
There are no points associated with this Warning Notice
No response is necessary

To promote safe driving, a \$40.00 penalty is issued for driving 10 mph or more above the speed limit. Within a school zone, this penalty is \$80.00.

We urge you, and anyone that may drive your vehicle, to obey the speed limit and help make our streets safer.

For more information visit the NSMP webpage at: www.bouldercolorado.gov/transportation/nsmp
