

Directions for Residential and Visitor Permits

Residential Permits (Stickers)

The Residential Permit(s) must go on the driver's side bottom left-hand corner on the inside of the windshield. Remove expired permits before adhering the new permit(s). The permit(s) are vehicle-specific and are indicated by the License Plate Number of the vehicle they are linked to.

The Residential Permit will exempt you from the time limit restriction in your NPP Zone _____
However, the citywide ordinance states that a vehicle parked on the street must move every three days whether they have a permit or not. (Boulder Municipal Code (7-6-20(a))). NPP permits do not guarantee a parking space in front of residence.

If you replace your windshield, please bring in documentation that the windshield was replaced along with the old permit sticker. If the sticker is not provided, you will be required to pay a \$50 replacement fee. If you need to update the vehicle your permit is assigned to, you must provide an updated vehicle registration as well as your old permit sticker. If you do not provide the old permit, a \$50 replacement fee will also apply.

Visitor Permits (Hangtags)

Visitor permits are optional with the purchase of an NPP residential permit. You may be eligible for up to two visitor permits. \$5/permit.

Visitor permits are valid for up to 24 consecutive hours within a one-block radius of your address. Instructions for use can be found on the backside of your visitor permits. Please keep track of these permits. If they are lost or stolen, they cannot be replaced until the next annual renewal period.

Visitor permits may not be used by any individual living at the residence. If there is any abuse reported, we can revoke all permits tied to the residence for up to one year.

PURCHASED: Visitor permits will be included in the envelope provided.
