

# AFFIDAVIT OF TRESPASS

I, \_\_\_\_\_, give the Boulder Police Department authorization to summons or arrest any person trespassing on the private property located at \_\_\_\_\_.

Trespassing would include anyone camping, sleeping, or being on any portion of the property without my permission. If the property is a business, trespassing would include sleeping, camping, lying down or being on any portion of the property including stairwells, alcoves, roofs, patios, ledges, hallways, or within doorways; and would also include obstructing the entrance or egress to the business during regular business hours.

**I realize that the property must be conspicuously posted with no trespassing signs before any enforcement can or will be taken. It is my responsibility to post such signs and to maintain them. Any affidavit that is specific to a person must have notification information documented on that form.**

I realize that after a summons is issued or an arrest is made that it is my responsibility to follow through with prosecution.
