**RECREATIONAL MARIJUANA BUSINESS (RMB) CO-LOCATION APPLICATIONS
WITHIN BUSINESS FOOTPRINT-
TO BE FILED AFTER JANUARY 21, 2014**

CHECKLIST OF REQUIRED DOCUMENTS

- City of Boulder Recreational Marijuana Business (RMB) License Application form-** answer all questions 1 to 27, complete information on top of page 5 and sign page 5 under oath of applicant section.

Please note that because Attach A (business entity documents), Attach B (background check documents), Attach C (notes and loans), Attach E (Insurance), Attach H (lighting plan), and Attach J (bank records) are not changing, then city licensing will not require new copies of those originally submitted documents.
- Letter from Landlord allowing change to Recreational Marijuana operations-** related to Attach D (lease), landlord must confirm in writing their approval for leased premises to be changed to from medical marijuana to recreational marijuana business operations and for the structural changes necessary for collocation to be undertaken.
- Permanent Modification change form for Medical Marijuana Business (MMB) licensed premises-** form should be fully completed and a new MMB Attach F (operating plan and general diagram) and a new MMB Attach G (security narrative and security plan) for the resulting MMB licensed premise should be included.
- RMB Operating Plan and New General Diagram for co-located RMB licensed premises-** for the new RMB licensed business premises, please include a new Attach F operating plan narrative and a new general diagram for the new RMB licensed premises.

- New Business license for sales and use tax application with zoning form attached for co-located RMB licensed premises-** complete both the new business license application on-line. A new sales tax account will be opened for the RMB business licensed premise.

Please Note: if the co-location is for a virtual separation, then a sampling of audit records which evidences the licensee's capability to separate books and records by license will be requested.

- Fees**
 - \$250 city conversion fee payable to “**City of Boulder**” received by city from State Marijuana Enforcement division (MED).
 - \$1,100 permanent modification change fee for MMB payable to “**City of Boulder**”.
 - \$2,000 operating fee for licensing 2nd RMB licensed premise to “**City of Boulder**”. Please note that any issued RMB license will have the same license number as the existing MMB city license.

RECOMMENDED APPLICATION FILING PROCESS

Based on the above process and that city conversion applications are not considered complete until the \$250 city conversion fee is received by the city from the state MED, the following application timeline is recommended for co-location applications within a business footprint:

- Boulder Licensee meets with state MED 3 to 4 days before meeting with city to file state conversion documents with state fees and to supply city conversion fee to state MED.
- Boulder licensee meets in person in pre-scheduled filing meeting with city licensing. Please note that only complete applications will be accepted by city licensing. By this time, it is hoped that city conversion fee would be received by state MED.
- City licensing receives city conversion fee from state. At that time, city licensing will: I) time/date stamp the zoning form received with the new business license for sales and use tax with the original of the zoning form to be provided to the Boulder licensee so that building permits for collocation build out might be applied for and a copy of the zoning form will be retained by city licensing, and II) time/date stamp a copy of the city conversion application to be supplied to the licensee, with the original of same retained by city licensing, and the copy can be used for state MED so that they will issue the state MED RMB license.
- The state MED has informed city licensing that there is a 45 day waiting period for the state MED to issue state conversion licenses.
- When Boulder licensee is 95% done with build out for co-location of MMB licensed premises and RMB licensed premise, licensee should contact city licensing so that they may schedule the city inspection group to inspect the co-located premises.
- Once Boulder licensee has received co-located premise inspection approval from Boulder Fire, Boulder Police Department, and Planning and Development Services, these departments will also supply a copy of these 3 approvals to city licensing.
- When city licensing has received the above 3 premise inspection approvals, city licensing will issue the city RMB license for the co-located premise. The new city license will include same city license number, but a different license type and it will also have the same license expiration date. All issued city licenses are contingent on the licensee also having a current and effective state MED license for proper operations.
