Occupation Tax listed above is for an entire year period. Occupation Tax is a yearly tax that is billed each January 1 and each July 1 for the next 6 month period and is due 30 days after the billing date.

For new licenses, occupation tax need not be paid at the time of application but instead will be pro-rated and billed based on the date of license issuance. For Transfer licenses, occupation tax must be paid before a temporary license will be issued. Occupation tax continues to accrue even in the instance of closure.
