Cash Pass Information

The Cash Pass is a pre-paid RFID card that allows Downtown Boulder (CAGID) businesses/employees to enter and exit the City of Boulder parking garages with simplicity and ease. No more stopping to pay as you exit. All you need to do is tap your Cash Pass and go.

- You can purchase a Cash Pass via the Online Parking portal or at the City of Boulder Parking & Access office (located at 1500 Pearl St. Suite 302) for as little as \$30 (plus a \$10 non-refundable activation fee)
- You will use your pass to enter the garage, and each time you exit it will deduct the cost of the time you parked.
- The Cash Pass is a Monday-Friday permit only. You must exit the garage on Friday by 11:30 pm to avoid paying a \$50 lost ticket fee.

How it Works

The first time you purchase the Cash Pass there is a \$10 activation fee to cover the cost of the card. You must program a minimum of \$30 onto the card.

You may add currency to your pass at any time. by visiting our Online Parking Portal, calling 303-413-7300 or visiting our office at 1500 Pearl St. Suite 302. We accept cash, check, Visa, MasterCard or Discover.

- Cash Passes are activated the day after purchase (excluding weekends and holidays)
- Users of the Cash Pass system are still required to follow all City of Boulder Municipal Parking Ordinances. The Cash Pass is the property of the City of Boulder and can be revoked at any time.
- The Cash Pass rates are a great value. **You will receive a 10% discount every time you add value to your pass.** That means you will get \$30 of parking for just \$27.
- Use the Cash Pass at any of the 5 Downtown City of Boulder parking garages.
- The Cash Pass does not guarantee a parking space in City of Boulder parking garages. Parking is always on a first-come, first-served basis.

FAQs

- If your card drops to \$20 or less, you won't be able to enter or exit the parking garage.
- You must use your pass to enter and exit the garage, even when the gate is up. If not, the card will continue to deduct funds after you've left.
- If you lose your Cash pass, you need to contact our office. The amount that is left on the pass will be transferred to a new pass. There will be a replacement fee of \$15.
- The Cash Pass does not expire.
- You must provide a current vehicle registration and a government issue ID at the time of purchase.
