20 Day Pass Information

The 20 Day Pass is a non-refundable RFID card that allows Downtown Boulder (CAGID) businesses/employees to enter and exit the City of Boulder parking garages with simplicity and ease. No more stopping to pay as you exit. All you need to do is tap your 20 Day Pass and go.

- You can purchase a 20 Day Pass via the Online Parking portal or at the City of Boulder Parking & Access office (located at 1500 Pearl St. Suite 302) for \$200 (plus a \$10 non-refundable activation fee)
- You will use your pass to enter the garage, and each time you exit it will deduct 1 day from your pass.
- The 20 Day Pass is a Monday-Friday permit only. You must exit the garage on Friday by 11:30 pm to avoid paying a \$50 lost ticket fee.

How it Works

The first time you purchase the 20 Day Pass there is a \$10 activation fee to cover the cost of the card. 20 days are programmed into the pass at the time of purchase, bringing the initial cost of the pass to a total of \$210.

You may add days to your pass in increments of 10 days. To add days, you can visit our Online Parking Portal, call 303-413-7300 or visit our office at 1500 Pearl St. Suite 302. We accept cash, check, Visa, MasterCard or Discover.

- 20 Day Passes are activated the day after purchase (excluding weekends and holidays)
- Users of the 20 Day Pass system are still required to follow all City of Boulder Municipal Parking Ordinances. The 20 Day Pass is the property of the City of Boulder and can be revoked at any time.
- The 20 Day Pass is a great option if you plan to park in the garage for 6 hours or more.
- Use the 20 Day Pass at any of the 5 Downtown City of Boulder parking garages.
- The 20 Day Pass does not guarantee a parking space in City of Boulder parking garages. Parking is always on a first-come, first-served basis.

FAQs

- If your 20 Day pass drops to 0 days remaining, you won't be able to enter or exit the parking garage. Please be sure to keep a positive balance on your pass to prevent this from happening.
- You must use your pass to enter and exit the garage, even when the gate is up. If you fail to use your pass on entry/exit, it will get out of sync. You will need to call our office to have this resolved.
- If you lose your 20 Day pass, you need to contact our office. The days that are left on the pass will be transferred to a new pass. There will be a replacement fee of \$15.
- **The 20 Day Pass is Non-Refundable**
- The 20 Day Pass does not expire and does not need to be used 20 consecutive days in a row.
- You must provide a current vehicle registration and a government issue ID at the time of purchase.
