

CHAUTAUQUA NORTH (CAMP) NPP

Four important things to know:

- **This NPP began the Summer of 2018 for a five (5) year pilot.** The NPP is a parking mitigation measure for the summer of 2022. Data on parking utilization in the NPP and surrounding blocks was collected over the 2017 summer. The data and input from residents and Chautauqua area visitors was considered in the development of this ongoing CAMP Neighborhood Parking Program.
- **The NPP regulations are in effect ONLY on Saturdays and Sundays, ONLY 8AM to 5PM and ONLY from Saturday, May 28th to Monday, September 5th, and includes all holidays.** Parkers on streets in the Chautauqua North NPP zone must display a valid permit or pay-to-park. Parking can be paid via the ParkMobile and WayToPark smart phone apps, or at pay stations installed along Baseline Road.
- **Outside of 8AM to 5PM on those Saturdays and Sundays, normal (free) public parking will be available in this NPP zone.**
- **A parking permit is only required to park on the street. Vehicles parked in private driveways and garages do not require a permit.**
