9:00 AM: Presentation on Boulder's Electoral System

- Single Member elections in Boulder might impact the ability for Latinos to be represented in the City Council. It is likely that a switch to At-Large elections would not significantly improve Latino representation in the Council.

10:00 AM: Boulder Police Department Action Team Planning

- Need to help the City of Boulder with establishing the difference between ICE and the Boulder Police Department. Move away from Teen Town Halls into tabling events, and police department tours, because they encourage better conversation that foster connections between youth and police officers.

11:00 AM: MLK Day of Service Volunteering Event Debrief

- This event has not been successful for the past few years which points towards the conclusion that we need to change multiple aspects of this event. Although it is a requisite to hold it on MLK Day, other changes such as holding additional volunteer events on separate days.

11:30 AM: Lunch

12:00 PM: CFCI Youth Council Selection

- Council members selected. Need to double check the membership of individuals who do not live within the boundaries of the city.

12:45 PM: New Action Team Formation

- New actions teams were formed and members discussed basic information for the first time. Will reach out to absent members who need to be placed on an action team.
