Eligibility

Who is eligible?

City of Boulder BMEA & Non-Union Employees

Benefit eligibility is determined by hours worked and employment type. All Boulder Municipal Employees Association (BMEA) and Non-Union Regular employees are eligible for benefits, if they work 20 or more hours per week. Part-time employees (20 - 29 hours/week) are eligible for the same benefits as full-time employees (30 - 40 hours/week), but pay at a different rate. BMEA and Non-Union Regular employees that work 19 hours or less a week are not eligible for health insurance benefits.

Dependents

If you are eligible to elect coverage for yourself, you may also elect coverage for eligible dependents.

- Your spouse or partner
- Child(ren) under the age of 26 (your children, your spouse or partner's children, and children in your legal custody)

What am I eligible for?

Use the table below to determine what you are eligible for:

Enrollment

Enrollment

When can I enroll?

When You Are Hired

For newly hired employees, benefit enrollment must be completed within 30 days from your date of hire. Enrollment takes place in Workday. City benefits, and any Supplemental Benefit Programs (Cigna, LegalShield, and IDShield programs), are effective on the first of the month, following your date of hire.

During Open Enrollment

Current employees elect benefits for themselves and eligible dependents in Workday during Open Enrollment.

Please keep in mind that if you do not participate in Open Enrollment, you are voluntarily waiving your benefits for the entire next calendar year.

2026 Open Enrollment

Open Enrollment for the 2026 plan year runs from October 20 to November 3, 2025 in Workday. During this time, you must enroll and/or decline coverage for the upcoming year. The effective date of benefits selected during this period is January 1, 2026.

Can I Change My Benefits?

After Open Enrollment ends on November 3, 2025, the benefits you chose will be in place from January 1 to December 31 next year. You cannot change your benefits during this time unless you have a **Qualifying Life Event**.

Examples of Qualifying Life Events include:

- Marriage, civil union, legal separation, or divorce
- Birth or adoption of a child
- Death of your spouse, civil union partner, or dependent child
- Spouse, civil union partner, or dependent children losing or gaining coverage
- Change in employment status for you or your spouse/civil union partner
- Change in residence (only if our current coverage isn't available in the new location)

Questions?

We encourage you to submit questions to the Benefits Team through **Service Depot** (use ***Benefits*** as your ***Type of Request***). It is the quickest way to ensure questions and issues are addressed by the appropriate person.

If you are new to Workday or need to refresh on the enrollment process, check-out our **Open Enrollment How-To Guide**.

Enrollment (continued)

How am I taxed on my benefits?

The Internal Revenue Service (IRS) rules allow employees to use pre-tax dollars to pay for eligible benefit plans. Boulder annually processes medical, dental and vision premiums on a pre-tax basis for you. Pre-tax premiums are deducted from your paycheck prior to the calculation and deduction of taxes, resulting in a reduced taxable income. For more information on regulations, contact the [IRS](#).

Benefit taxation can only be changed from pre-tax to post-tax at initial election or during Open Enrollment; it cannot be changed mid-year.

What is Domestic Partner Imputed Income?

The IRS requires employers to report and withhold taxes on the fair market value (FMV) of a domestic partner's health coverage to the extent the coverage is paid for by the employer. Following IRS regulations, the difference in the total monthly premium for domestic partnership coverage is taxable to the employee, and the employer portion of the premium will be reflected on the employee's W-2. This is referred to as **Imputed Income**.

To enroll a Domestic or Civil Union Partner, please complete the city's [Affidavit](#). Please consult a tax advisor regarding details of the tax implications of adding or removing a Domestic or Civil Union Partner. If you need to remove a previously enrolled partner from your coverage, completion of the [Statement of Termination](#) is necessary to properly document these changes.

Medical

What medical plans are available?

The City of Boulder offers three different medical plans: a Cigna Preferred Provider Organization (PPO or “Copay”) Plan and two Cigna High Deductible Health Plans (HDHP). The plan designs differ based on factors such as deductibles, out-of-pocket maximums, and coinsurance, but the plan you choose has no effect on the quality of care you receive.

Medical Plan Options:

- Cigna Preferred Provider Organization Plan (PPO or “Copay”)
- Cigna High Deductible Health Plan \$2,500 (HDHP \$2,500)
- Cigna High Deductible Health Plan \$5,000 (HDHP \$5,000)

What you can expect

100% Coverage for Your Preventive Care.

All of our medical plans pay 100% for preventive care when you use in-network providers, even before you meet your annual deductible.

Employer HSA Contribution

- Our high deductible health plans (HDHP \$2,500/\$5,000) are eligible for a health savings account (HSA), which lets you save money for medical expenses
- For those enrolled in a city HDHP and an HSA, and who meet the qualifications to have an HSA, the city will contribute up to **\$500 for individuals** and up to **\$1,000 for families**

Transgender Health

Cigna provides transgender health services as part of our standard coverage. Participating in our insurance also provides access to case managers who can assist with navigating services. To learn more, please review the [Transgender Health flyer](#).

PPO “Copay” Plan

How it Works

Copay: A copay is the fixed dollar amount you pay when you use medical services. For example, your plan could require you to pay \$25 for primary care doctors, \$50 for specialists, and \$15 for generic prescription drugs. When you go to the doctor or fill a prescription, this is the amount you’ll pay.

Deductible: The city’s copay plan has a deductible. For medical services for which a deductible applies, you will be required to pay the full cost of services until you meet your deductible. For example, if you visit your primary care physician, you pay a \$25 copay for the visit. If you receive services during the visit, such as lab work or diagnostic testing, the cost of service is subject to your deductible. Copays do not count toward your deductible.

Coinsurance: The copay plan has coinsurance (the cost sharing with Cigna). Once you meet your deductible, you pay coinsurance for medical services received until you satisfy your annual out-of-pocket maximum.

Annual Out-of-Pocket Maximum: The copay plan has an annual out-of-pocket maximum. Copays, deductible, and coinsurance count toward your out-of-pocket maximum. If you reach your out-of-pocket maximum, the insurance company pays 100% of covered medical services for the remainder of the plan year.

Advantages

- You’ll have a set dollar amount, or copay, when you visit the doctor and pharmacy
- Works well for people who do not want to pay the full cost of a medical bill or prescription out-of-pocket and prefer the predictability of copays
- Makes sense for people who are willing to pay a higher premium each month for the security of knowing how much they will pay when they visit the doctor
- 100% coverage for preventive care when you use in-network providers
- Telehealth, Dispatch Health, Behavioral Health coverage, and other comprehensive options are available with this plan

High Deductible Health Plan (HDHP)

How it Works

High deductible health plans are designed to help keep premium costs low for you and your family. How much you pay out-of-pocket depends on two things: your deductible and out-of-pocket maximum.

Starting in 2026, the city offers two HDHP plans: one with a \$2,500 deductible and another with a \$5,000 deductible.

Deductible: You are expected to pay the full charges for services and prescriptions until you meet the deductible.

HSA Helps You Pay Your Deductible: Your HDHP with the City of Boulder is HSA qualified and eligible for an employer contribution of up to \$500 per year for employee only coverage or up to \$1,000 per year for family coverage. You can use your HSA to cover eligible medical expenses.

Coinsurance: Once you meet your deductible, you share in coinsurance with Cigna, meaning, Cigna will pay 80% of your in-network medical costs and 60% of your out-of-network costs.

Annual Out-of-Pocket Maximum: You'll continue to pay coinsurance until you meet your out-of-pocket maximum. If you reach your out-of-pocket maximum, the insurance company pays 100% of medical services.

Advantages

- The monthly premiums are lower than the PPO plan
- If you enroll in an HDHP, you're eligible for an HSA to help pay for eligible medical expenses while also lowering your taxable income
- HSA funds roll over from year-to-year and are portable
- Works well for those who are not anticipating frequent or significant medical expenses for the upcoming year
- 100% coverage for preventive care when you use in-network providers
- Telehealth, Dispatch Health, Behavioral Health coverage, and other comprehensive options are available with this plan

How a **PPO** Works

How the **HDHP \$2,500** Works

How the **HDHP \$5,000** Works

HSA: Both HDHPs with the city are HSA-qualified and eligible for an employer contribution of up to \$500 per year for employee-only coverage or up to \$1,000 per year for family coverage. You can use your HSA to cover eligible medical expenses.

Annual Deductible: The amount you must pay out of pocket for covered expenses before Cigna's coinsurance kicks in.

- **PPO:** Most diagnostic services are billed on top of your copay and apply to your annual deductible. Copays aren't subject to the deductible but count toward your out-of-pocket maximum. Until you reach this maximum, you'll pay set copays based on your plan.
- **HDHPs:** For services other than preventive care, you are responsible for the full cost of services until your deductible is met.

Coinsurance: Once your deductible has been met, you pay 20% while Cigna pays 80% for in-network medical services.

- **PPO:** Each covered individual is subject to an individual deductible limit.
- **HDHPs:** For those with family coverage, the full family deductible must be met before any individual coinsurance applies.*

Out-Of-Pocket Maximum: When you have reached your out-of-pocket maximum, your health plan pays 100% of any additional health costs.

- **PPO:** \$4,500/individual and \$9,000/family
- **HDHP 2,500:** \$6,000/individual and \$11,000/family
- **HDHP 5,000:** \$8,500/individual and \$15,000/family

A Little Help to Make the Decision Easier

Please note that these examples below are for illustrative purposes only and that cost of care can vary based on procedure, physician billing, and location of services.

Meet Raquel

Employee only coverage
with low utilization

Alissa is relatively healthy and someone who experiences anxiety. Alissa does not have a partner or dependents to cover and is looking for the most cost-effective medical plan with low monthly payments that still provides coverage in case unexpected health incidents occur. During the year, Alissa receives the following care:

Type of Cost	PPO "Copay" Plan	HDHP \$2500	HDHP \$5000
Yearly Premium	\$2,063.62	\$1,690.26	\$1,540.76
Medical Expenses			
Preventive Care Visit(s)	\$0	\$0	\$0
Sick Visit to Primary Care Physician	\$25	~\$210	~\$210
Monthly Generic Tier 1 Preventative Maintenance Prescription	\$0	\$0	\$0
Savings			
City of Boulder Wellness Premium Credit	\$360	\$360	\$360
City of Boulder HSA Contribution	N/A	\$500	\$500
Total Cost to Raquel:	\$1,728.62	\$1,040.26	\$890.76

Meet Diane

Employee plus One
with high utilization

Diane is an expectant mother and also covers her son on her plan. Her son has asthma and was given a prescription inhaler. Below are the medical expenses they are anticipating this year:

Type of Cost	PPO "Copay" Plan	HDHP \$2500	HDHP \$5000
Yearly Premium	\$4,444.56	\$3,640.00	\$3,318.38
Medical Expenses			
Preventive Care Visit(s)	\$0	\$0	\$0
Hospital Stay for Labor and Delivery (\$14,000)	\$3,800	\$6,000	\$6,800
Tier 2 Asthma Prescription (30 Day Supply)	\$45 x 12 = \$540	\$610 x 12 = \$7,800 (\$1,464)	\$610 x 12 = \$7,800 (\$1,464)
Savings			
City of Boulder Wellness Premium Credit	\$360	\$360	\$360
City of Boulder HSA Contribution	N/A	\$1,000	\$1,000
Total Cost to Diane:	\$8,424.56	\$9,744.00	\$10,222.38

***Note:** With this high utilization example, the deductible and out-of-pocket maximum is reached under the HDHP Plan, but not the PPO Plan. Using this example, moving forward in-network care would be covered at 100% for Diana on the HDHP Plan. For the PPO Plan, the out-of-pocket maximum would still need to be met by both Diana and her son.

Meet Robert

Employee plus Family
with moderate utilization

Robert is seeking medical coverage for himself and his family. Robert's child has severe allergies and is on routine care with a prescription. His partner has a sunspot that seems abnormal that they want to get checked by a doctor. Their yearly care is as follows:

Type of Cost	PPO "Copay" Plan	HDHP \$2500	HDHP \$5000
Yearly Premium	\$6,207.24	\$5,083.52	\$4,634.24
Medical Expenses

Six Pediatric Visits	$\$25 \times 6 = \150	$\sim \$160 \times 6 = \960	$\sim \$160 \times 6 = \960
One Specialist Visit	\$50	\$185	\$185
Monthly Tier 2 Allergy Prescription	$\$45 \times 12 = \540	$\$25 \times 12 = \300	$\$25 \times 12 = \300
Savings			
City of Boulder Wellness Premium Credit	\$360	\$360	\$360
City of Boulder HSA Contribution	N/A	\$1,000	\$1,000
Total Cost to Robert:	\$6,587.24	\$5,168.52	\$4,719.24

Homethrive

Continuing in 2026, Homethrive is available to all employees at no cost, regardless of medical insurance enrollment. If you care for someone due to age, disability, or a medical condition, consider using Homethrive.

This service is open to you, those you support and others in your care circle - not just your household or immediate family.

Ways Homethrive can help:

- Medicare insurance options & coverage
- Finding the right provider
- Senior living options and in-home care
- Community and government-based benefits
- Hospital and rehab discharge support
- Disease education
- Social/emotional support and family dynamics
- Advanced directives and wills

To sign-up, please visit Homethrive's [website](#) and use the Company Code: **cityofboulder**. Learn more on our [Homethrive page](#) on Boulder@Work.

Origin Healthcare

Origin Healthcare is an in-network provider for employees needing advanced medical care at home. This service offers hospital-level care in a comfortable and safe environment.

With Origin Healthcare, you can receive regular treatments at home instead of a hospital, as well as acute care typically provided at urgent care. They also offer transitional care after hospital discharge and infusion therapy (IV treatments).

Origin Healthcare is available to Boulder employees on the city's medical insurance, age 18 and older. Services are offered seven (7) days a week from 9 AM to 5 PM. For more information, call 888-777-2718 or visit the [Origin Healthcare website](#). Additional resources can be found on the Boulder@Work [Origin Healthcare page](#).

Dental

The city's Delta Dental plans allow you to use an extensive network of providers and offers flexibility based on where you choose to access care. The city offers two (2) dental plans through Delta's PPO Plus Network:

- Low Plan
- High Plan

The table below summarizes Dental Plan benefits. For more detailed information, visit the [Boulder@Work Health Plans page](#).

Delta covers two (2) dental cleanings per year, on an annual calendar basis. If you need to confirm your eligibility, please contact Delta directly. To find a network provider and download your ID cards, visit deltadentalco.com or call 800-610-0201.

HSA

How does the HSA work?

A Health Savings Account (HSA) is a type of employee-owned savings account that allows you to set aside money on a pre-tax basis to pay for qualified medical expenses. Please consult the IRS publication for a [list of eligible expenses](#).

HSA funds roll over year-to-year if you do not spend them and are portable if you leave employment with Boulder.

Eligibility

- You must be enrolled in one the the city's High Deductible Health Plans (HDHP \$2,500/\$5,000)
- You cannot have any other first-dollar coverage
 - Military, Medicare, or Tricare coverage
 - A spouse's or parent's PPO plan
- You cannot be claimed as a dependent on someone else's tax return

Your Contribution

Per IRS regulations, the maximum amount you can contribute for 2026 is as follows:

- \$4,400 if you are enrolled in Employee Only (Single) coverage
- \$8,750 if you are enrolled in Family (Two Person or Family) coverage
- **Catch-up contributions:** Employees who turn 55 during the plan year may contribute an additional \$1,000 per year until enrollment into Medicare

Please note that contribution limits reflect the total amount that both you and the city can contribute in a calendar year.

City of Boulder Contribution

If you elect one of the Cigna HDHP's and open and maintain an Alerus HSA, the city will make HSA contributions to assist with your plan costs. City contributions begin in the pay period after you have established your Alerus account, and the total amount of contribution will be prorated based on this start date.

If both you and your spouse are city employees, you are only eligible for a combined maximum HSA contribution of \$1,000.

City contributions are made evenly, over 26 pay periods. Eligible contribution amounts for 2026 are:

- **Employee Only (Single) HDHP Coverage:** up to \$500 per year
- **Family Coverage (Single +1 or Family):** up to \$1,000 per year

Set-Up your HSA

Enrollment in an HSA takes place in Workday.

Once the account has been established with Alerus, you will receive a welcome email to your City of Boulder email address, containing instructions on registering your online profile. This will allow you to authorize how you will be reimbursed. Registration must be completed within 30 days of HSA enrollment.

After your account is active, HSA debit cards will be mailed to your address on file.

Questions? Contact Alerus directly: alerusrb.com, info@alerus.com or 877-661-4727.

FSA

How does the FSA work?

A Flexible Spending Account (FSA) allows you to set aside pre-tax money from your paycheck to pay for eligible out-of-pocket expenses for healthcare and dependent care. Please keep in mind that FSA monies can only be spent while you are an active employee at the city.

Healthcare Flexible Spending Account (HCFSA)

Contribute up to \$3,300 per employee (per calendar year) for reimbursement of health-related expenses you may need to pay for out-of-pocket. Expenses can be incurred from January 1, 2026 through March 15, 2027, as long as you are an active plan participant. You have access to your full plan year election amount of FSA funds immediately. This plan is a “use it or lose it” as any funds not used in the plan year will be forfeited. There is a grace period to submit for reimbursement through March 31, 2027.

Examples of Eligible Expenses:

- Copays, coinsurance, and deductibles
- Dental and orthodontia expenses
- Contact lenses, eyeglasses, vision surgery
- Hearing aids
- Chiropractic care
- Over the counter medications, with a prescription

Review [IRS guidance](#) on eligible expenses.

Dependent Care Flexible Spending Account (DCFSA)

Contribute up to \$7,500 per household (per calendar year) towards out-of-pocket dependent care expenses for children under age 13 and disabled dependents of any age. Expenses can be incurred from January 1, 2026 to March 15, 2027, as long as you are an active plan participant. Dependent care expenses are only reimbursable up to what has been deducted from payroll and deposited to your account.

Examples of Eligible Expenses:

- Licensed day care centers for children and disabled dependents
- Costs for family or adult day care facilities
- Babysitters outside or inside your home while you are working
- Day camp expenses (but not overnight camp)

Review [IRS guidance](#) on eligible expenses.

How the Alerus Health Benefits Card Works

The Alerus Health Benefits Card draws funds directly from your account to pay for eligible expenses. It can only be used at places where you might obtain medical, dental, vision, or dependent care services with providers accepting Visa. You will use your debit card for the life of your Healthcare Flexible Spending Account. If you lose or misplace your debit card, you will need to contact Alerus at 800-837-4817 to be issued a new card.

For more information, refer to the [FSA Tab](#) on Boulder@Work.

An employer-sponsored FSA Alerus account

The City of Boulder contributes \$500 individual/\$1,000 family to an HSA through your Alerus account. Remember that Boulder's contributions are calculated as part of the total allowed IRS contributions (see below).

City of Boulder does not contribute to an FSA.

Must be paired with an HDHP. If you have an HSA, you cannot have a Healthcare FSA. You may have a Dependent Care FSA with an HSA.

Only compatible with PPO Plan. The Healthcare FSA cannot be paired with an HSA. You may have a Dependent Care FSA with an HSA.

Unused money will be rolled over into the next year. You can invest HSA funds and use earned interest for medical health expenses.

Funds not used by the end of the year are forfeited.

IRS Employee Contribution Limits:
\$4,400 individual
\$8,750 family
\$1,000 55+ Catch-Up

IRS Employee Contribution Limits:
\$3,300 individual/family
\$7,500 Dependent Care

Shared benefits: Health Savings Accounts (HSA) and Healthcare Flexible Spending Accounts (FSA) are tax-advantaged accounts that can be used to pay for qualified out-of-pocket medical expenses.

For more Alerus HSA and FSA resources, visit the [Health Plans page on Boulder@Work](#).

Supplemental Benefit Programs

Supplemental Benefits can be elected at the time of hire or during Open Enrollment. These supplemental benefits are designed to work together to help make it easier for you and your family to get the benefits you deserve. You do not need to be on the city's Cigna medical insurance to enroll in their supplemental plans.

Supplemental offerings for Boulder employees include:

- Cigna Critical Illness
- Cigna Accidental Injury
- Cigna Hospital Indemnity
- LegalShield
- IDShield

The partnership with Cigna on both medical and supplemental benefits streamlines the ability to process claims and obtain holistic benefits coverage. Through Cigna's Auto Compare program, if you are enrolled in both medical insurance and a supplemental plan, you will be reminded by Cigna to submit your eligible claim upon filing a qualifying medical claim. This perk also automatically pays-out your Wellness benefits, up to a \$50 value for flu shots and wellness exams, after claim processing.

The same coverage remains available from LegalShield & IDShield, and the rates remain the same for 2026.

Detailed information about these benefits, including rates, are available in the [Supplemental Benefits Booklet](#).

IDShield

IDShield will monitor your Social Security number, credit cards, bank accounts, and more. Specialists are available 24/7 to answer your questions and walk you through the steps you can take to protect yourself. If any change in your status or compromise occurs, you receive an e-mail update immediately.

LegalShield

LegalShield provides legal advice and representation in the event you have need for an attorney. Services include:

- Name Changes
- Bankruptcy
- Foreclosure
- Landlord/Tenant Issues
- Driver's License Restoration
- Traffic Ticket Violations
- Living Wills
- Power of Attorney
- and more

NOTE: If you elect any of these supplemental benefits, premiums will be paid through convenient payroll deductions.

Supplemental Benefits

Life & Disability

Life & Disability insurance provides loss of income protection to employees and their families in the event of a serious injury, illness, or death.

City-Paid Short Term and Long Term Disability Benefits (STD and LTD)

Employees must exhaust all accrued, but unused, sick time before coverage for this city benefit begins. Both BMEA and Non-Union employees receive 60% of wages for STD and 50% of wages for LTD.

BMEA employees receive city-paid STD coverage for the first five (5) years of employment.

Non-Union employees, hired in 2013 or after, receive city-paid STD coverage.

Additional information can be found on the [City's Leave and Time-Off Benefits](#) website.

Public Employee's Retirement Association (PERA) Disability Program

Once you have achieved vesting (5 years of service credit) with PERA, you may be eligible for their short-term disability coverage and/or disability retirement. Please review the [Colorado PERA Disability Program brochure](#).

Life & Accidental Death & Dismemberment (AD&D) Coverage

BMEA Employees

The city provides \$50,000 of coverage through age 69, which is reduced to 50% coverage for employees age 70+. The total premium is paid for BMEA employees working 20+ hours weekly.

Non-Union Employees

The city provides, at no cost to you, Basic Life and AD&D insurance to non-union employees working 20+ hours weekly, at 1.5 times your annual salary.

It is important to keep your beneficiaries up-to-date!
You can change this information at any time in Workday; please use
our [How-To Guide](#) for step-by-step instructions.

Voluntary Life Insurance

The Hartford is the city's provider for Voluntary Life Insurance. If you are happy with your current level of insurance, you do not need to take any action for this during Open Enrollment, but you can change or elect this type of coverage at any time. Please use the [Change or Elect Voluntary Life Insurance How-To Guide](#) for specific steps on this process in Workday.

Employees may elect to purchase Voluntary Life Insurance, up to \$300,000 in total coverage, to supplement benefit offerings. The Hartford guarantees coverage up to \$120,000 for yourself, and \$20,000 for your spouse/partner. You may choose up to 100% of your own coverage amount for your spouse and up to \$10,000 for your children.

New employees may enroll into the Voluntary Life insurance within 30 days of their hire date to receive the guaranteed issue amount without submitting additional documentation.

Please keep in mind that changing coverage amounts generally requires completing an Evidence of Insurability (EOI), which is a medical underwriting form to be approved for additional insurance coverage. Payroll deductions for the coverage do not begin until the city is notified the coverage is approved. Premiums are determined by your (or spouse/partner's) age.

For current Voluntary Life premiums, review the [rate sheet](#) or refer to the [Supplemental Benefits page](#) for more information.

Group Term Life Imputed Income (Non-Union employees only)

The IRS considers group-term basic life (GTL) insurance provided by the city to be a tax-free benefit so long as the policy's death benefit is less than \$50,000. However, there are tax implications if an employee is provided over \$50,000 in life insurance coverage. In this situation, the value of the life insurance policy above \$50,000 of what an employee pays in premiums is referred to as **Imputed Income**, which is subject to income taxes. More details about this and the calculation for the taxes charged can be found on the [IRS website](#).

Supplemental Benefits

Total Rewards

Total Rewards is a way to think about the total package of benefits, compensation, programs, and perks you receive as an employee of the City of Boulder. While your paycheck or using your medical insurance may be the most visible aspects of your Total Rewards, it is a top priority for the city to continually monitor updates and innovations we can make to improve the value of your career at Boulder.

Want to learn more about your Total Rewards? Download the Workday Benefits and Pay app, with instructions from our [How-To Guide](#). Then open the Benefits and Pay app and scroll down to click View Total Rewards. A Total Rewards dashboard will show individual tiles that break-down your pay and benefit components. More information on city offered programs are summarized below.

Educational Assistance Program (EdAP)

The Educational Assistance Program provides financial support to encourage employees to further develop skills and competencies that positively impact the organization and community.

Educational Assistance can be approved as pre-paid or reimbursement for employees to pursue goals, including:

- Degree
- Certifications in a career field
- Test taking for career certifications
- Continuing education credits
- Language immersion programs

The type of assistance that will be approved may not relate to the requirements of an employee's current job — meaning that the intent is not to provide funding for you to meet requirements of your current job but to help you advance your professional development or ability to fill a future role. Educational Assistance is approved by an employee's manager, Department Director, an Educational Assistance Program Committee, and the HR Compensation Team.

All regular full-time and part-time employees are eligible for this program. Learn more on the [Educational Assistance Program page](#).

Total Rewards Discounts & Perks

The city partners with different vendors to provide exciting benefit offerings to enhance your Total Rewards. These discounts and perks are supplemental opportunities - meaning they are not administered or maintained programs by the city.

Discounts & Perks Currently Offered:

- **Spot Pet Insurance:** Enroll your pet to receive a 10% discount or enroll multiple pets to receive an additional 10% discount (up to 20% total) off their insurance.
- **CorePower Yoga:** Employees are eligible for a 20% discount on yoga classes and memberships, even if you are already a frequent user.
- **Colorado State University:** Employees can receive a 15% tuition discount on select online graduate programs. For those eligible for EdAP, this discount can be combined with program-provided funds.

Learn more about the current offerings and new partnerships on the [Discounts & Perks page](#).

Employee Recreation Pass

All BMEA and Non-Union employees, including existing staff and new hires, are eligible for a free Well-Being@Work Rec Pass! This pass provides access to all three (3) of Boulder's Recreation Centers, as well as Scott Carpenter Pool, Spruce Pool, and Boulder Reservoir. You can elect this benefit at time of hire, during Open Enrollment, or at any time during the year through Workday. See the [Recreation Pass Enrollment Change How-To Guide](#) for step-by-step instructions.

Please keep in mind that although this is a free benefit, it is taxable. If you elect the Pass, you will be taxed on the value of \$12.74 per pay period. The amount of tax you pay depends on your tax bracket.

You can also register a family member to participate in your Rec Pass for a discounted rate of \$125 per person. The amount is prorated based on time of purchase. Please complete a [Family Add-On Form](#) and submit it at a Recreation Center to get started.

It takes approximately seven (7) business days for your Rec Pass to become active after enrollment. You will receive an e-mail from Parks & Recreation to advise you when your pass is active. For more information, visit the [Well-Being@Work page](#) and select the **Employee Recreation Pass** tab.

EcoPass Program

All city employees are eligible for the EcoPass Benefit. The EcoPass provides unlimited, free rides on most RTD transit services, including the N to Eldora Mountain Ski Resort and the Skyride Service to Denver International Airport (DEN).

The EcoPass is no longer a physical card. Eligible employees can download the RTD MyRide app at any time on their mobile device. By establishing an account with your Boulder work e-mail address, the city will issue the EcoPass directly to your app. Once the city has issued the EcoPass you can begin riding RTD for free!

Read our [EcoPass MyRide App Instructions How-To Guide](#) for additional information on getting your mobile EcoPass!

Total Rewards

Wellness Program

Well-Being@Work

The City of Boulder's Well-Being@Work program offers the best-in-class Wellable app with challenges, events, and curated health, wellness and mind/body content focused on the 8 Dimensions of Well-Being: Physical, Emotional, Intellectual, Social, Purpose, Financial, Occupational, and Environmental. It is free for employees, as well as their spouses and partners. Employees can earn gift cards monthly, delivered directly to their e-mail and specialty challenge prizes throughout the year. Log-in to the [Well-Being@Work Portal](#) to begin accessing learning, events, programs, and much more.

In addition to our Wellable app, we offer an annual Well-Being Fair, an employee Rec Pass, and a robust Employee Assistance Program (EAP) to support mental/emotional health of employees and anyone living at their home address. Visit the [Well-Being@Work page](#) today to learn more.

Premium Wellness Credit (PWC)

You are eligible to receive an insurance premium credit of up to \$360 per year if you are an existing employee or a new hire with the city and enrolled in one of the Cigna medical plans. The credit is paid evenly over 26 pay periods, for a \$13.85 credit each paycheck.

PWC Requirements

It's never too early in the year to take steps to secure your Premium Wellness Credit (PWC). In 2025, the requirements outlined below need to be met to receive the 2026 credit.

Current employees and new hires (1/1 through 9/30/25) must complete biometrics (lab work) either through Quest Diagnostics or your medical provider AND complete an annual preventative exam through your primary care provider or MDLive (telehealth visit). Both the biometrics and the visit are required, but you can complete biometrics first or have it ordered by your doctor at your exam/visit. The 2027 PWC will be obtained through the Wellable platform. More information will be available on the Well-Being@Work page the closer we get to this transition.

New hires who join the city after 10/1/25 must complete only a Health Risk Assessment (HRA) through [MyCigna.com](#).

For additional information on the 2026 PWC requirements, please read the [timeline](#) or check-out the [How-To Guide](#).

Valuable Services through the Employee Assistance Program (EAP)

EAP is a 24/7/365 program that supports employees with a variety of issues they may be facing.

This is a free benefit, available to all employees, regardless of employment type or group. Any members of the employee's household are also eligible to use the EAP.

You do not need to be enrolled in the city's Cigna insurance plan to participate, although Cigna is the city's EAP provider.

Take advantage of a wide range of services offered at no cost to you:

- **10** face-to-face or video-based counseling sessions with a counselor in your area.
- **Onsite Therapy:** 3 to 4 face-to-face counseling sessions at the OSMP HUB, for employees only.
- **Legal Assistance:** 30-minute consultation with an attorney, face-to-face or by phone.
- **Financial Assistance:** 30-minute telephone consultation with qualified specialist on topics such as debt counseling or planning for retirement.
- **Identity Theft:** 60-minute consultation with a fraud resolution specialist.
- **Parenting:** Resources and referrals for childcare providers, before and after school programs, camps, adoption organizations, child development, prenatal care and more.
- **Eldercare:** Resources and referrals for home health agencies, assisted living facilities, social and recreational programs and long-distance caregiving.
- **Pet Care:** Resources and referrals for pet sitting, obedience training, veterinarians and pet stores.

EAP personal advocates will work with you and your household family members to help you resolve issues you may be facing, connect you with the right mental health professionals, and direct you to a variety of helpful resources in your community and more.

Remember: EAP is completely confidential. The city does not receive information about who accesses which services through EAP. It is as confidential and personal as visiting your family doctor.

Retirement

Employee Pension Plan

BMEA and Non-Union employees participate in the **Public Employees' Retirement Association (PERA)** pension plan. Pensions are a retirement benefit that the city contributes to on your behalf to assist you in your post-career life. Participation in a pension plan is not voluntary and you cannot opt-out.

The city enrolls you in PERA, but once you are a PERA member you are responsible for becoming educated about the two (2) types of plans offered and determine what best fits your anticipated needs. You have 60 calendar days from your start date with the city to elect either the Defined Benefit Plan or Defined Contribution Plan. If you do not make a formal election, you are automatically enrolled in the Defined Benefit Plan. Learn more about the plan types from **PERA**.

Supplemental Retirement Savings Plans

Boulder also offers several Supplemental Retirement Savings Plans; you are not required to enroll in these plan options but they can assist you in accumulating additional retirement savings through efficient paycheck deductions. All plans outlined below are plans to which only employees contribute; the city does not match or make contributions.

Learn more about your eligibility to enroll in different plan types in our **Employee Retirement Plan Options guide**.

- **MissionSquare 457(b) Plan:** Deferred compensation retirement plan, including both pre-tax and post-tax (Roth) options for contributions.
- **MissionSquare Roth IRA Plan:** A post-tax deferral where your contributions grow tax free in a retirement account.
- **PERA 401(k) Plan:** A retirement savings plan with a wide variety of investment options, including pre-tax and post-tax (Roth) options for contributions.

Need more information on plan types or looking for resources as you prepare for retirement? Check-out our **Retirement Benefits page on Boulder@Work**.

Changing or Electing Retirement Benefits

Employees may elect or change contributions to Supplemental Retirement Savings Plans at any time during the year, through Workday.

For detailed instructions, see our

[Change or Elect Supplemental Retirement Plans How-To Guide](#).

BMEA Leave and Time-Off Benefits

City (Observed) Holidays

BMEA members receive ten (10) full and two (2) half days of holidays each year. The city annually establishes a calendar of its observed holiday dates, including:

- New Year's Eve (½ day)
- New Year's Day
- Martin Luther King Jr. Day
- President's Day
- Memorial Day
- Juneteenth Day
- Independence Day
- Labor Day
- Veterans Day
- Thanksgiving Day
- Christmas Eve (½ day)
- Christmas Day

BMEA members who work on a holiday receive premium pay. This premium pay is paid for the city holiday observances, except for Christmas Eve (12/24), Christmas Day (12/25), New Year's Eve (12/31), New Year's Day (1/1) and 4th of July (7/4) which are always recognized and paid on the listed days.

Floating Holidays

Current employees accrue Floating Holiday hours in Pay Period (PP) #1. New hires accrue prorated hours at time of hire. Employees can use this time for any purpose. Part-time BMEA employees accrue prorated floating holiday, based on scheduled hours worked. Floating Holiday hours must be used by the end of the payroll year during which hours are granted. Hours are "use it or lose it" and cannot be carried over. For more information, please review the [Floating Holiday policy](#).

Floating Holiday Accrual (based on Full-Time status)

Before PP #1	24
PP #1 - #7	18
PP #8 - #13	12
PP #14 - #20	6
PP #21 or after	Employees hired after PP #20 are not eligible for floating holidays in that year

Vacation Time-Off

Regular BMEA employees who have been on active payroll continuously for six (6) months are eligible to take vacation. Vacation time-off accrues each pay period and is based on years of continuous service and weekly scheduled hours. These hours can roll over into each subsequent year with a maximum carryover balance of 280 hours. Part-time BMEA employees accrue pro-rated vacation time-off, based on scheduled hours worked. Please refer to the [BMEA CBA](#) for additional information.

15.0 to <18.0 years	7.08
18.0 or more years	7.39
Maximum carryover balance: 280 hours	

Sick Time-Off

Sick time-off accrues each pay period and can roll over into each subsequent year without limit. The city complies with the Healthy Families & Workplaces Act (HFWA); more information is available on the [Leave and Time-Off Benefits page](#).

Full-time BMEA employees accrue 4.31 hours of sick time-off per pay period. Part-time BMEA employees accrue prorated sick time-off, based on scheduled hours worked. Please refer to the [BMEA CBA](#) and the [Sick Time-Off policy](#) for more information.

Under HFWA, employees who are re-hired at the city within six (6) months of their last date of employment will have their ending sick time-off balance reinstated. The balance is loaded at time of re-hire, and there is no change to the accrual rate or sick time-off cap.

Additional Leave Benefits Available

BMEA employees may be eligible for additional leave benefits such as Paid Parental Leave, Family Medical Leave Act (FMLA), Bereavement Time-Off, Short-Term Disability and Long-Term Disability. Visit the [Leave and Time-Off Benefits page](#) for additional information.

Glossary

Coinsurance

The percentage of costs of a covered health care service you pay after you've paid your deductible. For example, after the deductible is met, the plan may pay 80% and you may pay 20% until the Out-of-Pocket Max is reached.

Copayment (Copay)

A copay is a flat dollar amount you pay for specific covered services upon each visit to the provider. It is not impacted by the plan deductible, coinsurance, or out-of-pocket maximum.

Deductible

The amount you must pay out of pocket for covered expenses before the insurance company starts to pay.

Embedded Deductible

In an embedded deductible health plan, the policy will have two deductibles: the individual deductible for each family member and the family deductible. When one family member accrues enough medical expenses to meet the individual deductible, coinsurance and cost-sharing will be provided by the insurer for that specific family member. Once multiple family members' medical expenses surpass the family deductible, the insurer begins to provide cost sharing for all members of the family.

Evidence of Insurability (EOI)

This is documentation that provides a record of a person's past and current health events; it is used by insurance companies to verify whether a person meets the definition of good health. It is only required in certain circumstances.

Explanation of Benefits (EOB)

After you receive medical services, your insurance will provide you with an EOB. It will outline details regarding how your insurance processed your medical claim, including what portion of the charges your insurance paid and what portion, if any, you are responsible for paying.

Flexible Spending Account (FSA)

An FSA is a tax-advantaged account that lets you put money aside on a pre-tax basis to pay for a wide range of health and/or dependent care expenses (as defined by the IRS). Unlike the HSA, any unused funds remaining after the plan year ends will be forfeited.

Formulary

A formulary is a list of drugs (both generic and brand name) selected by the health plan as the drugs preferred to treat certain health conditions.

Health Savings Account (HSA)

An HSA is a tax-advantaged medical savings account available to enrollees in a Qualified High Deductible Health Plan (HDHP). Pre-tax contributions are made to the member's account and can be used for a variety of IRS qualifying medical, dental, vision, and prescription expenses. The HSA is a member-owned account and funds roll over from year to year. The HSA is subject to the IRS contribution limits.

In- and Out-of-Network Providers

Benefit plans develop networks by contracting with doctors, hospitals, labs, etc., who have agreed to provide health care services to members at negotiated rates. You generally pay less out of pocket when you use in-network providers.

Non-Embedded Deductible (HDHP \$2,500 Plan)

There is no individual deductible. This means that the overall family deductible must be reached, either by an individual or by the family, in order for the insurance carrier to begin paying benefits.

Out-of-Pocket Maximum

The maximum amount you will pay out of pocket for covered medical expenses per calendar year, including your deductible. After your share of covered expenses reaches this annual limit, the plan pays 100 percent for eligible network services for the remainder of the calendar year.
