## JUNIOR RANGER PANT AND BOOT RECOMMENDATIONS

---

### Pants

Junior Rangers wear long pants and a uniform T-shirt for their work. Any long pant that is comfortable to hike in and you don't mind getting dirty will be fine.

**Style:** Jeans, work pants or hiking pants are fine, but leggings are not.

**Cost:** Hiking and work pants can cost anywhere from \$30 to \$60.

**Where to buy:** Rei, Dick's Sporting Goods, McGuckins Hardware, Murdoch's Ranch & Home Supply, JAX Outdoor Gear

### Footwear

Sturdy boots are a necessity on the trail. A medium weight boot will be adequate. You will want something that is comfortable to wear all day and sturdy. Beware of brand new boots and blisters. Boots must have a sturdy, rubber, Vibram-style sole and must be four to six-inches in height (for proper ankle support). Boots will be reimbursable up to \$60.
