

# You Are Not Alone.

## Access Immediate Crisis Support 24/7

If you, or someone you know, is experiencing emotional or psychological distress, Mental Health Partners' Crisis Intervention Service provides:

- Crisis interventions
- De-escalations
- Crisis assessments
- Valuable resources and safety planning for individuals who are experiencing emotional or psychological distress.

Crisis services are available to everyone, regardless of ability to pay. Language assistance is also available.

### **Mobile Crisis Response Also Available!**

Crisis clinicians respond to mental health crises wherever they are happening in Boulder County, including schools, workplaces, centers of worship, private residences, hotels/motels, shelters, stores, community events, outdoor areas and many other locations. A mobile assessment of someone who is in crisis can avoid the possibility of law enforcement involvement and/or long, expensive psychiatric hospitalizations.

**Call our mobile response team at (303) 447-1665 to see if a mobile response is appropriate.**
