Packed with imaginative themes and engaging activities, Miss Joanie offers creative play in these fun-filled drama camps.

Ages 4-11

Miss Joanie drama camps, in conjunction with the City of Boulder's Parks & Recreation Department, are held at Salberg Park, on the corner of 19th St. and Elder Ave. Each week is different and uses the technique of "play making," which lets the children use their imagination to adapt a familiar story or write their own script... so the children's plays are always original and unique! Each day consists of drama workshops, writing and reviewing of the script, creation of sets and costumes, rehearsal, and outdoor playtime. There is a lovely playground/park at the drama camp site that we use for lunch and breaks. The week culminates in a free Friday afternoon performance for family and friends!

Want more time on the water? Ready to take your sailing to the next level? CSC's Race Team Clinics pave the way to help you build a solid foundation of racing skills. Learn about the challenging dynamics of sailboat racing in a beginner friendly environment. Sailors must complete at least 2 weeks of Intermediate Camp or any of our Advanced Camps before participating. Clinics are "a la carte" where sailors can sign up for any or all clinics that fit in your schedule. Returning racers are invited to participate in local regattas during the season. For those planning to attend regattas an additional \$50 "Add On" fee per sailor for boat charters and coaching fees can be added.

Our program offers authentic outdoor adventure camps to explore Valmont Bike Park.

Avid4 Adventure Grades 2-11

Safety is our first priority. While risk is inherent in all outdoor activities, we pride ourselves on teaching campers to assess situations, use sound judgment and make good decisions as they take appropriate risks. Please note that Valmont Bike Park programs involve a higher level of risk due to the terrain and skills taught. We mitigate these risks by grouping kids and teens by experience level, requiring protective equipment, providing environmental briefings, practicing falling techniques, and challenge by choice across all elements. Valmont Bike Park Camp campers should be confident riding on two wheels (without training wheels).

- Participants will be divided into groups of 7 or less; must be able to ride 2-wheeler.
- Extended care 8 a.m.-5:30 p.m. available (fees at Avid4.com). Extended care campers get extra riding time out in the park.
- Special park bikes and protective gear (required) can be rented for an additional fee.

Valmont Bike Park Skills Camp

This camp offers youth the opportunity to explore this world-renowned facility in an instruction-based program. During the week participants learn skills through increasingly challenging activities, exercises, and differing terrain, while also developing as a team. Kids will have a chance to experience the Pump Tracks, Dirt Jumps, Slope Style, Single Track, X-Country, and more.
