

**CITY OF BOULDER
FLEXIBLE REBATE
PROGRAM 2022 APPLICATION**

Application Deadline: December 5, 2022

The Flexible Rebate business incentive program was developed to encourage the growth and retention of primary employers in Boulder by offering rebates of certain fees and sales/use taxes paid to the city. To apply for the program, please provide the information requested below. **For detailed eligibility requirements and sustainability guidelines, see 2022 Flexible Rebate Application Instructions.** To submit an application, mail to Jennifer Pinsonneault, City of Boulder, City Manager's Office, 1777 Broadway, Boulder, CO 80302 or email to pinsonneaultj@bouldercolorado.gov.

Section 4: Statement of Intent

To demonstrate that your company reflects the intent of the 2022 Flexible Rebate Program, please attach a detailed statement providing a **brief company history and description of proposed plans** for expansion, relocation, construction, equipment purchases or other investment, **and answers to the questions below.**

1. How would a flexible rebate incentive benefit your company?
2. What specific programs does your company have or plan to implement that demonstrate commitment to social, environmental and community sustainability? Provide specific examples of your company's programs that meet the sustainability guidelines you selected in this application.
3. How does your company support the local economy? Please include any additional information you would like us to consider such as estimated spending in the city of Boulder by your company (e.g., hotel accommodations, catering, restaurants, etc.) or your employees.
4. What additional information, if any, would you like us to consider in reviewing your application?

Section 5: Certification

Certification *(Must be completed by an authorized company representative)*

I certify that the information and exhibits herewith submitted are true and correct to the best of my knowledge. I understand that city staff may request additional information to complete the application process, and that **all application materials are public record and subject to public inspection.** By signing, I also give permission to the City of Boulder to use this company's name and any rebate granted to illustrate the success of this incentive program.

Name: _____ Title: _____

Signature: _____ Date: _____

Flexible rebates are granted at the city manager's discretion. Since there is a finite funding source, the city manager may weigh the community value of different applications. The city manager is not required to spend such funds and may consider such issues as appropriate timing and future economic development opportunities. Nothing contained in the program is intended to create any type of an entitlement or right to a flexible rebate. The city manager's decision is final and there is no appeal from such decision.
