

# Comprehensive Flood & Stormwater Master Plan 2022 Update

**PROJECT PURPOSE:** The purpose of this plan is to improve the management of stormwater to help protect people, places, property, and ecosystems in the City of Boulder in a way that builds resilience and is consistent with community values.

## Draft Plan Available

The City of Boulder is pleased to announce the Draft Comprehensive Flood and Stormwater Master Plan 2022 Update is available for review. This update is a culmination of two years of dedicated work by city staff and members of the community. The purpose of this document is to provide policy guidance for the Flood and Stormwater utility. (Drainageway specific activities will be forthcoming following the implementation of the plan.)

## Key Outcomes & Recommendations

### Prioritize Projects to Do the Greatest Good, First

Created a Project Prioritization Framework to prioritize when major flood mitigation projects should be funded and constructed.

### Provide Services Equitably

Incorporated racial equity into policies, current and future outreach and education efforts and provision of services.

### Make Infrastructure Resilient to Climate Change

Developed proactive measure to address climate change through infrastructure resilience.

### Prepare for the Extremes

Clarified roles and responsibilities for city staff and community members related to flood preparedness, flood warning and emergency response

### Inform the Community to Create a Prepared Community

Refined outreach and education efforts to reach targeted audiences with a focus on vulnerable populations and non-English speaking community members.

### Maintain the System We Have

Defined support needs and public and private maintenance responsibilities for stormwater drainage systems and major drainageways.

## Stay Tuned

Interested in learning more? Stay tuned to the utilities website for updates such as:

- Updated Community Guide to Flood Safety
- Opportunities to provide feedback on drainageway specific mitigation plan implementation
