ADDENDUM to the
DENVER FIELD OFFICE
JOINT TERRORISM TASK FORCE (JTTF)

Standard Memorandum of Understanding

Between

THE FEDERAL BUREAU OF INVESTIGATION

and

Boulder Police Department

This Addendum documents the understanding of the Federal Bureau of Investigation (FBI) and the Boulder Police Department (BPD) in regards to the above titled Memorandum of Understanding.

1. The Parties agree that one officer from the Boulder Police Department will be assigned to the Federal Bureau of Investigation Denver Field Joint Terrorism Task Force (JTTF).
2. The Parties will make every effort to comply with the notice of termination requirement in the JTTF MOU. However, the Parties agree that the Police Chief for the Boulder Police Department retains the right to terminate the officer's participation in the JTTF at will.
3. The Parties agree that the FBI will provide an annual update on the JTTF to the City of Boulder Council.
4. The Parties agree the cross-designated officer, while acting as an FBI Task Force Officer, is required to follow BPD policies and procedures relating to administrative matters to include officer misconduct and discipline; body worn cameras, BPD's Values and Rules;

as well as the Department of Justice, U.S. Attorney General, and FBI policies as outlined in the MOU. While acting as an FBI Task Force Officer, the designated officer shall follow Department of Justice, U.S. Attorney General, and FBI policies when working on FBI matters. If these policies and procedures conflict, the cross designated officer shall remove himself from the FBI matter so as to not violate Department of Justice, U.S. Attorney General, and FBI policies.
