

City of Boulder Utilities Department  
Part List for Tap and Meter Installations

Meter size	Parts	Brand
3/4" tap and meter	size of main X 3/4" tapping saddle ( stainless for PVC and bronze for iron pipe) 3/4" compression corp 3/4" X 3/4" compression yolk with full port ball valve 20X36 meter pit W-3 recessed meter dome with 2" hole and light duty PVC inner lid	Muller Muller Muller Mid States Plastics Castings
1" tap and meter	size of main X 1" tapping saddle ( stainless for PVC and bronze for iron pipe) 1" compression corp 1" X 1" compression yolk with full port ball valve 20X36 meter pit W-3 recessed meter dome with 2" hole and light duty PVC inner lid	Muller Muller Muller Mid States Plastics Castings
1.5" tap and meter	size of main X 1.5" tapping saddle ( stainless for PVC and bronze for iron pipe) 1.5" compression corp 1.5" meter yolk with ball valve in bypass 1.5" CTS to MIP adaptor 1.5" CTS to FIP curb stop 36" monitor cover with touch read lid 3/4" X24" steal supports X 2	Muller Muller Muller Muller Muller Castings
2" tap and meter	size of main X 2" tapping saddle ( stainless for PVC and bronze for iron pipe) 2" compression corp 2" meter yolk with ball valve in bypass 2" CTS to MIP adaptor 2" CTS to FIP curb stop 36" monitor cover with touch read lid 1" X 24" steal supports X2	Muller Muller Muller Muller Muller Castings
3" tap and meter	36" monitor cover with touch read lid	Castings
4" tap and meter	36" monitor cover with touch read lid	Castings
6" tap and meter	36" monitor cover with touch read lid	Castings
8" tap and meter	36" monitor cover with touch read lid	Castings
1" fire combo tap and meter	size of main X 1" tapping saddle ( stainless for PVC and bronze for iron pipe) 1" compression corp 1" X 1" compression yolk with full port ball valve 1" FIP Tee 1" close nipple 1" FIP curb stop 1" CTS X MIP adaptor X2 1" CTS X MIP 90° bend 1"X4" long cpooper pipe 20X36 meter pit W-3 recessed meter dome with 2" hole and light duty PVC inner lid	Muller Muller Muller Muller Muller Muller Muller Muller soft drawn K copper Mid States Plastics Castings
1.5 tap and meter irrigation	size of main X 1.5" tapping saddle ( stainless for PVC and bronze for iron pipe) 1.5" compression corp 1.5" curb stop CIS X FIP 1.5 close nipple 1.5" gate valve 1.5" CIS x MIP adaptor 1.5" X 4" nipple 1.5" lock pack 1.5" flange 1.5" CTS to MIP adaptor 1.5" CTS to FIP curb stop 36" monitor cover with touch read lid	Muller Muller Muller Muller Muller Muller Muller Ford Ford Muller Muller Castings
2" tap and meter irrigation	size of main X 2" tapping saddle ( stainless for PVC and bronze for iron pipe) 2" compression corp 2" curb stop CIS X FIP 2" close nipple 2" gate valve 2" CIS x MIP adaptor 2" X 4" nipple 2" lock pack 2" flange 2" CTS to MIP adaptor 2" CTS to FIP curb stop 36" monitor cover with touch read lid	Muller Muller Muller Muller Muller Muller Muller Ford Ford Muller Muller Castings
