20 Day Pass Information

The 20 Day permit is a non-refundable HID card that allows Downtown (CAGID District) City of Boulder Businesses/employees to enter and exit City of Boulder parking garages with simplicity and ease. No more stopping to pay as you exit. All you do is swipe your 20 Day Pass and go.

1. Purchase a 20 Day Pass via the Online Parking portal or at the City of Boulder Parking Services Office (1500 Pearl St., Suite 302) for \$200.00 (plus a \$10 activation fee).
2. Each time you enter using the 20 Day Pass, it will deduct 1 day from your pass when you exit the garage.
3. 20 Day Pass is a Monday-Friday permit only. You must get your car out of the garage on Friday by 11:30pm to avoid paying a \$50.00 lost ticket fee.

How it Works

The first time you purchase the 20 Day Pass there is a \$10.00 activation fee because the pass is yours to keep. Additionally, you must purchase 20 days for \$200.00. This is because the number of days are programmed into the pass at the time you purchase it.

You may add days to your permit in increments of 10. To add days, you can visit our Online Parking Portal, call 303-413-7300 or visit our office at 1500 Pearl St., Suite 302. We accept cash, check, VISA, Mastercard, or Discover.

- 20 Day Passes are activated the day after purchase (excluding weekends and holidays).
- Users of the 20 Day Pass system are still required to follow all City of Boulder Municipal Parking Ordinances. The 20 Day Pass is the property of the City of Boulder and can be revoked at any time.
- 20 Day Pass is a great value if you park in the garage 6 hours or more because it allows you to exit for \$10.00 a day.
- Use the 20 Day Pass at any of the 5 downtown City of Boulder Parking garages.
- 20 Day Pass does not guarantee a parking space in City of Boulder parking garages. Parking is always on a first come, first served basis.

FAQs

- If your 20 Day pass drops to 0 days, you won't be able to enter or exit the parking garage. We ask that you do not let it get down to 0 because we cannot reset your pass to let you out once you refill it.
- If you use your 20 Day Pass to enter, be sure to use it to exit the garage. If not then the pass will get out of sync.
- If you lose your 20 Day pass you need to contact us. The days that is left on the pass will be transferred to a new pass. There will be a reactivation fee of \$10.
- 20 Day Pass is Non-Refundable.
- 20 Day Pass does not expire and does not have to be used 20 days in a row
- You must provide a current vehicle registration and your government issued ID at time of purchase.
