20 Day Pass

\$10/day

This permit is a reusable HID card that allows you to scan when entering and exiting any downtown city-owned garage. Each time you exit the garage, one day is deducted from your balance. The initial set up costs \$210. \$10 goes towards a one-time activation fee and the remaining \$200 goes towards 20 days of parking (\$10/day). You may reload your pass with more days at any time via our online parking portal or in our office. A minimum of 10 days is required when adding days to your permit. This is a good option for customers parking longer than 6 hours per day.

Cash Pass

10% discount on standard parking rates

This permit is a reusable HID card that allows you to scan when entering and exiting any downtown city-owned garage. Each time you exit the garage, the standard cost of parking is deducted from your balance. There is a one-time activation fee of \$10. You will receive a 10% discount when adding funds to your permit. For example, if you want to add \$100 to your pass, you will only pay \$90. You may reload your pass at any time via our online parking portal or in our office. A minimum balance of \$25 must remain on the pass to keep it active.
