

ATTENTION ALL STAFF

**Tobacco is the deadliest consumer product.
Most tobacco users start before age 18.
We must keep our kids safe from the harms of
tobacco.**

This Boulder retail establishment supports and follows these important laws:

We will not sell or give tobacco products (cigarettes, cigars, chew, snus, electronic smoking devices, hookah or any other product made or derived from tobacco) or tobacco product paraphernalia (pipes, rolling papers or any other product designed for the consumption, use or preparation of a tobacco product including electronic smoking devices) to any person under the age of 21.

We will examine a government-issued identification including a photograph of the recipient to confirm they are age 21 or above before selling any tobacco product.

We will not sell any flavored tobacco product for use in electronic smoking devices, except that in facilities that do not allow persons the age of twenty-one, we may, until January 1, 2020 sell menthol-flavored products.

We will not sell more than two electronic smoking devices or four associated products, including refills to any person within any twenty-four-hour period.
